RE: Annual Production Map for the 1992 Annual Report

Dear Mr. Haddock:

Enclosed please find one (1) copy of the coal production map for the Genwal Crandall Canyon Mine. This copy is to replace the existing map found within the front of the annual report. The map has been revised to reflect the pillars left in place in the 2nd Left Section. A plate, 5-2A, from the renewal application of the Mine and Reclamation Plan is also in the process of being revised. This map will be sent to you in the near future.

Should you have any questions or need additional information, please contact me at 687-9813.

Sincerely,

GENWAL COAL COMPANY
